JOINT MOTION TO EXTEND STAY

The parties to the above-captioned action hereby jointly move this Court to extend the stay in the above-captioned action previously granted on February 16, 2007, and extended on March 14, 2007, until April 11, 2007.

As grounds for this Motion, the parties state that they have agreed to a standstill of all litigation globally, pending the finalization of a written settlement agreement. The parties further state that many material terms of a settlement in this complex matter have been agreed upon and that they are working diligently to finalize the remaining terms and have made progress in doing so. Because the French component of the settlement must be done in French, and there is translation to be done in both directions, the process has taken longer than expected. The parties respectfully submit that, in view of their belief that they are very close to reach agreement on all material settlement terms, a continuation of the stay of this action will serve the interests of justice and judicial economy.

WHEREFORE, the parties respectfully request that the court continue the stay of this mater, and the parties shall, within 30 days of the Court's Order continuing this stay, advise the Court as to their progress and intentions regarding the furtherance of the stay.

Respectfully submitted,
